“Living Waters series”

I was so impressed by the spring water, such pure water was springing endlessly from Mt. Fuji and that reminded me of the words of Jesus Christ.

If anyone is thirsty, let him come to Me and drink. He who believes in Me, as the Scripture said, from his innermost being shall flow rivers of living water

– John 7-37,38

I drew this painting sincerely hoping that the living water flow out into the world and restore love and peace among them.

Beautiful One (The Song of Solomon)(1992)

Japan IBM Art Scholarship Prize
I drew this painting by the inspiration from
the Scripture in the Bible: The Song of
Solomon “Arise, my darling, my beautiful
one, and come along. For behold, the winter
is past, the rain is over, and gone. The flower
have already appeared in the land...”
